

Footsteps to Lincoln

Each year the Illinois State President selects a project of historical or patriotic significance for support by the statewide society. This year's project is to support placing a life-size bronze statue of Abraham Lincoln in the Abraham Lincoln National Cemetery. A complete outline of the 2012-2013 state project is available for review on our State & National Projects page along with a donation form for your use in support of this project. Each person donating ten dollars or more will receive the a lapel pin.
